- Windows ●●●●●
- Git / GitHub ●●●●●

EDUCATION

FACULTY OF INFORMATION TECHNOLOGY. SPECIALTY "SYSTEM ANALYSIS AND MANAGEMENT"

NTU "DP"
Sep 2020 - Jul 2024

EXPERIENCE

LOGIKA
Teacher of Programming
Feb 2023 - Jul 2024

- Developed and updated training materials for programming courses, including lecture notes, code examples and assignments for students. Contributed to the use of new technologies and tools in the educational process.
- Supported students during classes, answering their questions and providing additional explanations for the relatively complex concepts.
- Improved knowledge of Python programming by attending seminars, conferences, and courses to maintain the relevance of teaching materials
